## REGENERATING CARE FOR MATURE, DEMANDING SKIN

The ACTIVE facial skincare range contains premium extracts of Swiss ORGANIC sprouted sunflower seeds and ORGANIC horse chestnut, plus a natural anti-ageing complex to activate skin regeneration and protect against premature skin ageing. This range improves skin elasticity and firmness. Premium plant oils provide intensive care and nourishment and leaves the skin smooth, radiant and noticeably tighter.

### BASIC CARE

#### RESTORING DAY CREAM

Nourishes and protects the skin. Reinforces the skin's elasticity and tone. Protects against premature ageing and smoothes fine lines. Leaves skin looking radiant and tighter.

#### REGENERATING NIGHT CREAM

This rich night cream provides intensive care and nourishment. It stimulates the skin's natural regeneration. Activates cell renewal, boosts strength and tightens the skin. For revitalised skin.

*Tip: can also be used as a mask (apply a thicker layer).*

### ADDITIONAL CARE

#### TIGHTENING SERUM

This tightening serum improves the skin's elasticity and tone, leaving it smoother and noticeably tighter.

#### FACIAL OIL

Promotes the regeneration of demanding skin and aids moisture retention. Leaves the skin noticeably smoother and softer.

*Tip: use under day and night creams for extra nourishment.*

#### EYE CREAM

Nourishes and revitalises the skin around the eyes. Provides renewed freshness and elasticity.

*Tip: also suitable for wearers of contact lenses.*

#### TINTED DAY CREAM CC 10 IN 1

More than just anti-age – with its effective formulation the tinted day cream with vegetable hyaluronic acid provides for a glowing, toned, smooth skin in one step. It further provides intensive nourishment, leaving the skin feeling pleasantly soft.

### CLEANSING

#### CLEANSING LOTION

This cleansing lotion gently removes make-up and skin deposits without drying out the skin.

*Tip: also removes eye make-up.*

#### FACIAL TONER

This facial toner improves skin structure and reinforces the skin's acid mantle. A complex of natural ingredients refreshes the skin, leaving it optimally prepared for the next step in your skincare routine.
