## GENTLE CARE FOR DRY AND SENSITIVE SKIN

**SENSITIVE VISAGE** – This fragrance-free and alcohol-free face care line helps stressed skin regain its healthy balance. It assists the skin function in a gentle and natural way. Precious extracts of organic Swiss lemon balm from the canton of Valais, natural moisturisers and valuable plant oils nourish and calm the skin and help prevent the first signs of ageing.

For BIODERMA SENSITIVE products, plant-based active ingredients from Switzerland and selected primary ingredients from controlled organic cultivation are used.

## CLEANSING PRODUCTS

### CLEANSING EMULSION

The cleansing milk has a soft, gentle cleansing action. Your skin feels soft and supple.

*How to use: Apply in a gentle circular motion and remove with a cotton pad.*

### FACE TONIC

The toner soothes and maintains a healthy skin pH level. A gentle and calming complex of natural ingredients leaves your skin perfectly prepared for the next step of your skin care routine.

*How to use: Apply with a cotton pad on face and neck.*

## CARE PRODUCTS

### FACE CREAM

The cream soothes and nourishes the skin. A gentle complex of natural ingredients moisturises the skin and makes it more resistant to environmental influences. Your skin feels smooth and supple.

*How to use: Apply morning and / or evening to cleansed face and neck.*

### SOOTHING NIGHT CREAM

This soothing, palm oil free night cream with additional premium organic shea butter provides dry, sensitive skin with long-lasting moisture and intensive nourishment for greater resilience. The rich nurturing formula containing organic jojoba oil, almond oil, wheat germ oil and supports the skin's own overnight regeneration process, helping to combat premature skin ageing. Wrinkles are smoothed away, the skin looks rejuvenated and feels supple, firmer and more nourished.

*How to use: Apply in the evening to cleansed face and neck.*

## COMPLEMENTARY PRODUCTS

### MOISTURISING SERUM

The serum with additional organic oats gives the skin an immediate moisture boost. Irritated skin areas are soothed and relaxed.

*How to use: Apply to skin before applying the Light or Intensive Face Cream. Also suitable in summer as a light day cream.*

### SOOTHING EYE CREAM

The eye cream cares for the sensitive eye area and reduces dehydration lines.

*How to use: Apply and lightly pat the cream around the eye area.*
